International conference

## Seniors, foreign caregivers, families, institutions Linguistic and multidisciplinary perspectives

9-10 April 2019, Varese (Italy)

### Invited keynote speakers

Michael Brannigan (College of St Rose, Albany, New York – US)

Boyd Davis (University of North Carolina, Charlotte – US)

Giuliana Garzone (IULM, Milano – Italy)

### Call for Papers

We invite abstracts for papers on the theme of “Seniors, foreign caregivers, families, institutions” from the English linguistics point of view, as well as from other perspectives that pay close attention to the linguistic, social, economic and ethical aspects regarding the ageing population, those who assist them, their families and the institutions/organisations that offer services for them. Proposals with a multidisciplinary focus will be especially welcome.

Papers will be 30 minutes, including 10 minutes for discussion, and we expect to publish a selection of them, following double-blind peer-review.

Abstracts (ca. 300 words plus max 6 references) should be sent as Word file to [seniors2019@uninsubria.it](mailto:seniors2019@uninsubria.it) no later than **31 December 2018**. Notifications of acceptance will be issued by 31 January 2019.

### General information

The event will be held at the University of Insubria, Varese, Italy.

The registration fee is 100 Euros. More information will be provided in future circulars and on the conference website at [www.uninsubria.eu/seniors2019](http://www.uninsubria.eu/seniors2019)

### Scientific committee

Alessandra Vicentini (University of Insubria, Italy), Kim Grego (University of Milan, Italy), Federico Pasquareè Mariotto (University of Insubria, Italy), Francesco Paolo Campione (University of Insubria)

### Organising committee

Alessandra Vicentini, Kim Grego, Daniel Russo, Moira Luraschi, Giulia Rovelli

**We look forward to seeing you in Varese in 2019!**

The event is organised by the University of Insubria and the University of Milan as part of the research project “Age.Vol.A. Ageing, Volunteers, Assistants. Multilingual Tools for Assisting the Ageing”, funded by Fondazione Cariplo (2018-2021).
