

How to use critical discourse analysis in your research

Discourse Academy

**In-person, 2-day
workshop**

**For PhD students &
Early career researchers**

**15 & 16 January 2026
The Chimney House, Sheffield, UK**

Book online: www.discourseacademy.org

Our focus will be on working with you to really get at how CDA can work for you in your specific research projects

We'll introduce theoretical ideas on CDA, methods of analysis and tools, such as corpus analysis and explore if and how these could be incorporated into specific research projects.

Academic experts for the workshop:

- Dr Michael Farrelly, Discourse Academy
- Dr Michael Kranert, University of Southampton
- Professor Tom Bartlett, University of Glasgow
- Dr Jane Mulderrig, University of Sheffield
